

## Pre-Course work for GOARN Workshop “Orientation to international outbreak response with GOARN/WHO”

In application for participation at the GOARN virtual training workshop you are kindly requested to complete the following eModules:

**Part 1** is required as pre-course work for this virtual workshop and is also mandatory for pre-deployment with GOARN. It consists of a series of short eModules (Tier 1 of the GOARN Capacity Building and Training Programme):

1. [The Global Outbreak Alert and Response Network](#)
2. [Working with GOARN in the Field](#)
3. [The Public Health Emergency and Humanitarian Architecture and Landscape](#)
4. [Working in an International Multidisciplinary Outbreak Response team](#)
5. [Personal Well-being for Deployment](#)
6. [BSAFE](#)

**Part 2** is recommended as pre-course work (but not required) and is mandatory for pre-deployment with GOARN/WHO. It consists of a series of short video lectures comprising the WHO Health Emergencies Programme online Incident Management Training.

1. Working in WHO's Incident Management System
2. Incident Management System Functional Areas
3. Ethics and Values
4. Team dynamics
5. Me and the Mission

## Instructions for enrolling in and completing the eCourses

### Part 1: GOARN

<p align="center"><b>Module 1</b></p> <p align="center">The Global Outbreak Alert and Response Network</p>  <p align="center">20 minute interactive eCourse</p>	<p align="center"><b>Module 2</b></p> <p align="center">Working with GOARN in the Field</p>  <p align="center">35 minute interactive eCourse</p>
<p align="center"><b>Module 3</b></p> <p align="center">The Public Health Emergency &amp; Humanitarian Architecture &amp; Landscape</p>  <p align="center">25 minute interactive eCourse</p>	<p align="center"><b>Module 4</b></p> <p align="center">Working in an International Multidisciplinary Outbreak Response team</p>  <p align="center">25 minute interactive eCourse</p>
<p align="center"><b>Module 5</b></p> <p align="center">Personal Well-being for Deployment</p>  <p align="center">25 minute interactive eCourse</p>	<p align="center"><b>Module 6</b></p> <p align="center">BSAFE</p>  <p align="center">60 min interactive eCourse</p>

To access these eModules, you will need to create an account on the GOARN Learning Management System.

**Step 1.** Follow the link below to access the GOARN Learning Management System:

<https://extranet.who.int/goarn/user>

**Step 2.** When logging in for the first time, please select the tab *Create New Account*, and enter all required fields and click the green button *Create new account*. You will then receive an email with your password and be asked to activate your account.

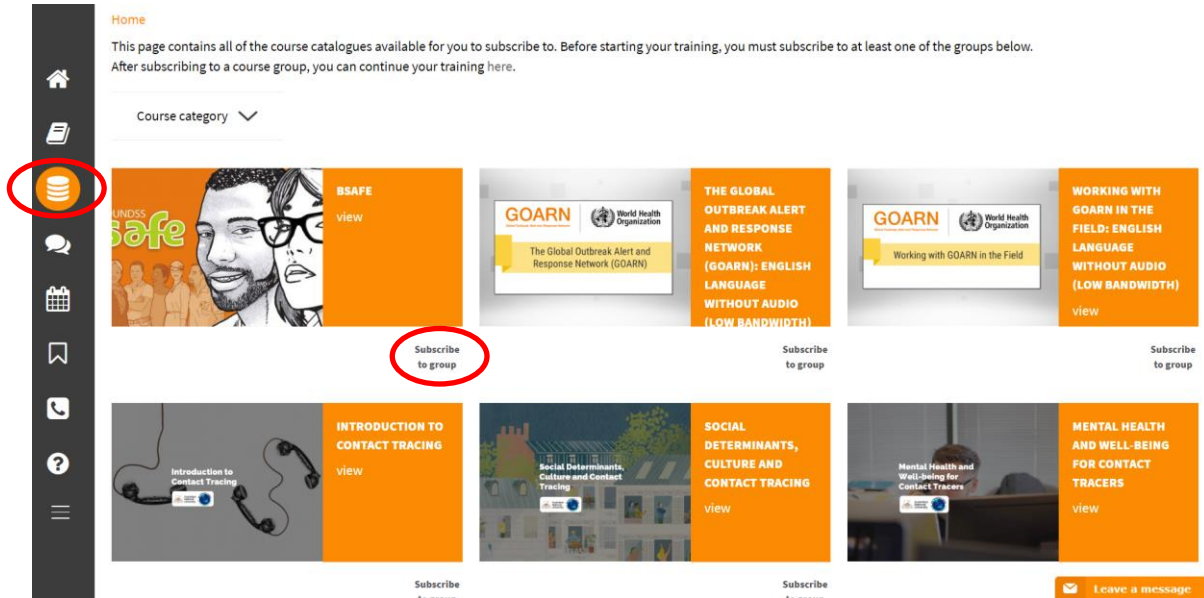

The screenshot shows the GOARN user account page. At the top left is the GOARN logo. On the right, there are navigation links: Home, About us, Activities, Media, Contact us, Focal point login, and Training login. Below the navigation is a 'User account' section with three buttons: 'Log in', 'Create new account' (circled in red), and 'Request new password'. Below these buttons are input fields for 'Username or e-mail address \*' and 'Password \*'. At the bottom of the form is a 'LOGIN' button.

**Step 3.** Log into the GOARN Learning Management System. For modules 1 & 2, select the “My Trainings” tab on the left hand navigation panel. You have already been pre-allocated these three eModules in English language.

The screenshot shows the GOARN Learning Management System dashboard. At the top left is the GOARN logo. On the right, there are language flags (UK, France, Spain, Brazil, Russia, EU) and a 'Global Search' box. Below the navigation is a 'Home » My trainings' breadcrumb. A 'Course category' dropdown menu is visible. The main content area displays two course cards. The first card is titled 'THE GLOBAL OUTBREAK ALERT AND RESPONSE NETWORK (GOARN): ENGLISH LANGUAGE WITH AUDIO (HIGH BANDWIDTH)' and has a progress bar showing 'progress: 0%'. The second card is titled 'WORKING WITH GOARN IN THE FIELD: ENGLISH LANGUAGE WITH AUDIO (HIGH BANDWIDTH)' and also has a progress bar showing 'progress: 0%'. A 'view' link is present below the second card. On the left side, there is a vertical navigation panel with icons for Home, My Trainings (circled in red), My Courses, My Messages, My Calendar, My Bookmarks, My Profile, and Help.

**Step 4.** For eModules 3-6, navigate to the “Training Catalogue” tab and click to “subscribe” on each of the required courses. After you have subscribed, these courses will be allocated to you and you will find them back in “My Trainings” where you can launch the courses.

## Instructions for completing mandatory pre-course work

**Step 4.** To launch the eModules, simply click on the “play” arrow underneath your chosen module and follow the instructions.

### Part 2: IMS Tier 2: Working in WHO's Incident Management System

<p align="center"><b>Module 1</b> Working in WHO's Incident Management System</p>  <p align="center">16 minute video lecture</p>	<p align="center"><b>Module 2</b> Incident Management System Functional Areas</p>  <p align="center">15 minute video lecture</p>
<p align="center"><b>Module 3</b> Ethics and Values</p>  <p align="center">26 minute video lecture</p>	<p align="center"><b>Module 4</b> Team Dynamics</p>  <p align="center">15 minute video lecture</p>
<p align="center"><b>Module 5</b> Me and the Mission</p>  <p align="center">16 minute video lecture</p>	

- Go to the platform [www.OpenWHO.org](http://www.OpenWHO.org)
- Create your login
- Accessing courses:
  - To access this course, either enter the title into the "Search Courses" function on the homepage OR navigate to the "Channels" tab on the upper frame and select "Ready for Response". Select the course titled and click "Enroll me for this course"
- Within each course, Modules can be selected from the left-hand navigation panel
- You can work through the module content by clicking on the hyperlinks to documents and videos.
